

Final Fight Bible Radio - April 2019

Greetings friends of Final Fight Bible Radio!

"And David said, What have I now done? **Is there not a cause?**" 1 Samuel 17:29

Today there are **many gigantic demons** roaming the land who are spouting obscenities at the people of God, mocking the King James Bible and defying the God of the universe, **confident that no one can or will oppose them.** David was obliged to put a rock in this punk's face, but he had to get past his own brothers first. *I wonder how different things would have been had Eliab successfully discouraged David to the point of quitting and going home?* May there be more Christian men and women who will take a stand for what's right and say with David, "**Is there not a cause?**"! **There most certainly IS a cause, perhaps more now in 2019 than ever,** and I am glad that Final Fight Bible Radio is being used of the LORD to advance that cause - in 7 different languages no less!

2018 Liberia Bible Project Follow Up

You will remember that a few months back we had a promotion to send **Bibles to Liberia** via a container that would be shipped by **Pilgrim Tract Society. Thousands of Bibles came flooding in,** and actually caught the folks at Pilgrim Tract Society by surprise; they were amazed at how many Bible came in so quickly! **Well done FFBR listeners!** The 'ball' is now in their court, and they are working out the logistics, paperwork and finances of getting the Bibles shipped. It has taken longer than expected to ship the Bibles, but they are working on it, and all we can do is wait. Bro Trokon is very eager to get the Bibles, he contacts me at least 2-3 times a week asking if I have any new updates about the container. (Haha!)

March Match-ness Results

Thank you to those of you who contributed to the March Matchness promotion. For prudence' sake I won't put the numbers in this letter, but if you want to know how much came in, you can find that info on our [website](#). **We exceeded our goal though,** which means that we were able to significantly reduce the missionaries' broadcasting costs. I am glad that we can not only get stations launched on behalf of the missionaries, but then help pay for their station too! With the help of the your contributions, we have also been able to begin work on a **Bible Believing Spanish station, a Pashtu (Afghanistan) station,** and there are a **couple other possibilities** that I am praying about currently. If you aren't supporting these stations, but would like to, [click here](#).

The Soul Trap

FFBR is now airing episodes of 'The Soul Trap', a program by **Pastor Joel Tillis** that explores **controversial and paranormal topics** from a KJV Bible Believing standpoint. Interestingly enough, I have had two conversations with people just in the last week who claim to have experienced night terrors, shadow figures, and astral projections **due to dabbling with witchcraft.** There are many out there who have legitimate experiences and are looking for help and truth in these matters and the Soul Trap will have useful information along these lines.

Travels

I will be making some more visits this summer to churches across the country to **1) present the ministry of Final Fight Bible Radio and our foreign stations 2) acquire more content, recordings and material for the station, and 3) potentially raise more support for this ministry.** **If you are interested in having FFBR out to visit your church, [send me an email.](#)**

As always, **THANK YOU** to all of you who tune in and support this ministry. The foreign stations (**Greek, German, Dutch, Korean, Russian, and Thai**) are growing, and thousands of people are tuning into those stations every month. Final Fight Bible Radio itself is **exploding in growth,** so **please pray** for myself and those of us involved in this radio ministry.

Be strong (Deuteronomy 31:6),
