

Greetings dear saints in the Lord,

August, 2019

FURLOUGH

We just want to make a small reminder here that we are planning a furlough this fall (October). If you would like to have us in please let us know if you know of any pastor that might be interested in missions in the former Soviet Union, please let us know.

Also, we do not have any permanent place to stay. It would really be great if we had a house to stay in as a place to base out of during the month of February in Pensacola, Fl. Please contact Bible Baptist Missions.

HALLELUJAH! WE ARE ON THE AIR

We are on the air in **Riga**. I just want to thank those that put in to help us pay for radio time in Riga. A few churches have offered to help out. We are so thankful for such an **“ANSWER”** (Jer. 33:3) to prayer. That is a great blessing to me personally and also I’m sure to those that are listening in.

YOUTH CAMP IN KIEV

We had a great time with the youth. Again we had souls saved. God gave us two young boys. The Lord gave me the opportunity to win a 14 year-old boy, Zhenya to the Lord. Although he lives about 2 hours south of us we are *following up* by Skype teaching the word of God. His mother was saved in a *tent meeting* we had in their area about 10 years ago. She got out of church and married an unsaved man. Just a couple weeks ago I was able to ‘meet’ him by Skype and lead him to the Lord also. Now we’re training all three together by Skype. Although we’re in the GLEANINGS as it was during the time of Ruth (chapter 2) labourers are still needed in Ukraine. **ARE THERE ANY VOLUNTEERS???** That’s why we ask often that the Lord give us more men to train here. We’ve got about 5 places right now that need a pastor to lead these sheep. As the Lord looked on the multitudes with *compassion* they are most certainly **“...scattered abroad, as sheep having no shepherd”** (Matt. 9:36).

One of our youngest preachers is a 12 year-old boy by the name of Vanya; John in English. His mother is a drunkard. Vanya doesn’t have a father. He lives in poverty with his grandmother who by a small telephone has read over 20 books of ours dealing with doctrinal and practical issues. They live 3 hours north of Kiev and have no church to go to. They are true Bible believers and read from the Russian translation of the King James Bible.

BIBLE INSTITUTE/REVIVAL

Again the Lord really blessed our Bible Institute Classes and preaching and teaching of the word of God. We averaged about 7 hours of day of classes the first half of the week along with preaching the Gospel and soul winning the second half of the week. We had in Bro. Nico Verhoef again who did a fine job teaching the practical aspects of the minister, ministries and ministering and also preached the evening services. Another brother, Yacek from Poland preached for us also. The Lord gave us about 15 preachers, nationals besides others that attended the meeting.

Please pray the Lord give us more young men that are called to preach or will be called to preach that will work **with** us in the endeavors of starting churches. I’ve already dealt with two more young men that, by the grace of God will begin our Correspondence Course.

MEETINGS IN MOLDOVA AND SWITZERLAND

Had a great time in Moldova with Bro. Paul Hamilton for a 3-day meeting preaching and teaching from the Russian translation of the King James Bible preaching on the corrupt readings in the Septuagint found in the Russian Orthodox Synodal bible. We went soul-winning downtown Kishinev, the capital of Moldova.

Also preached on Missions a whole week with Bro. Nico Verhoef in Switzerland. We had a great time. It was also a blessing to see sister Ruckman who spoke to the ladies.

VLAD AND FAMILY

Vlad is one of our men labouring in Russia. Please put some prayer on him as he is now 'plugged in' in our correspondence course. Each lesson has a set of questions for the student to answer. He comes to Kiev during our summer classes and is now street preaching and soul winning in Russia. Upon finishing the correspondence course plans are now that we'll be ordaining him as a faithful preacher of the Gospel. He just recently let us know that he led some lady to the Lord. Please pray the Lord continue to give him fruit for his labours.

THE DECREE OF A KING

The decree of a King in the Old Testament was to be translated into other languages of those nations under his dominion. Within the last two months we had requests for over 500 New Testaments and 200 Bibles of the Russian translation of the King James Bible. The clip below is a group of about 60 youth receiving the New Testament at a youth camp.

LABOURING WITH COURIERS FOR CHRIST

In September we will be working with Couriers for Christ in **Kiev** and also in **Borispol** (pop. 70,000) 20 minutes north of Kiev. We're looking at getting out 10,000 Johns and Romans in the Ukrainian language and also 30,000 invitations in Borispol alone. We found a hall to hold an evangelistic meeting for one night at the House of Culture. All the other days prior to that will be simply handing out Johns and Romans in Ukrainian and Russian and invitations to the meeting.

Please pray God give us souls and that converts will want to have Bible studies with us.

TENT MEETING

Finally, we had a tent meeting 2 hours south of Kiev with Sasha, a national missionary sent out of our church. We've been supporting him now for almost 20 years. On the third day of the meeting 7 youth came forward at the invitation and got saved! We'll be sending to Sasha some *follow-up* material that is available for youth between the ages of 9-12. We will take what the Lord gives us and do what we can to nurture new born babes in the things of the Lord.

We passed out over 100 booklets of Johns and Romans in the *Ukrainian* tongue. We hope to be soon printing the entire New Testament and five 'wisdom' books.

Thank you so much for being such a blessing and an encouragement to all of us here. We need your prayers.

Sincerely, Bro. Demopoulos (Rom. 10:13-15)
