

Seasons' Greetings Final Fight Bible Radio listeners!

"The LORD is in his holy temple, the LORD'S throne is in heaven..." - Psalm 11:4

I hope this letter finds you rejoicing in the goodness of God in spite of the turmoil all around you in the world. The Lord Jesus Christ is still on the throne UP THERE even if "the foundations be destroyed" DOWN HERE (verse 3)!

2021

Injury Update

2021 was a **momentous** year for FFBR even if it seemed to lack **momentum** at times. My concussion slowed me down considerably for a number of months, as did my relocation from Portland, Oregon to Boise, Idaho. Nevertheless, **I can plainly see the hand of God in both the injury and the move**, so I choose not to fret over the delays to "my plans". **In regards to my injury, I am much better and as far as I can tell, I am fully recovered, thank you again for all of your prayers and gifts during my recovery!**

Liberia Station News

I received word recently that an electric transformer has been installed in the area that Trokon Zahn lives, and so **we are now able to broadcast using electricity** as opposed to diesel fuel and a generator. **This has cut operating costs in half and enables us to broadcast for more content for more hours of the day.** We also completed the second half of our tower, so it is now 200' tall and broadcasts FFBR across multiple counties, to many thousands of Liberians! (Who would have thought it?!)

Projects and Promotions

This year FFBR had the privilege of helping to promote the recent **Campaigns for Christ trip to Brazil**, blessing **the Ruckman family** with your letters and gifts during the 100th anniversary of Dr Ruckman's birthday, raising funds for the **persecuted Christians in Afghanistan** (nearly \$5,000 so far) and facilitating the distribution of approximately **\$45,000 worth of missionary donations**. Thank you to all of who who took part in these various projects and promotions!

Manifest News

Manifest News is a **separate personal project** that I will only mention here briefly. FFBR is devoted to "vertical light" (truth from the word of God), but if you are interested in some "horizontal light" ('secular truth' if you will), you will find plenty of it [here](#).

2022

My move to Idaho has placed FFBR in an **unprecedented position of potential growth**. To prepare for this growth, I have had to work on a number of technical, legal and financial things that will serve to protect and preserve this ministry as it moves into the future. This background work has taken a large amount of time, but on the "front end" I have still managed to add more music, more Bible believing preachers and more material to the station. (PS: if you have any recommendations, please [send me an email](#).) **I am also praying about the prospect of having an external location that could accommodate FFBR's expansion and serve as a base for additional ministering and outreach.**

FAITH

I am looking forward to seeing what the Lord does in this upcoming year. 2022 has a lot of uncertainty for everyone, but the benefit of uncertainty is that it can incline us towards **FAITH which is key to a life that pleases God**. Final Fight Bible Radio has been a "by faith" ministry since its inception and nothing has changed in over 7 years of broadcasting. God has always been faithful to me, I have tried to be faithful to Him, and I thank all of you who have been faithful to support Final Fight Bible Radio - you are directly responsible for the continuance of this ministry and all of its foreign stations, and may God bless you for that!

Be Strong (Deuteronomy 31:6),
